## GOING FLASHY

The Station is getting flashy in no mean way. And you should see the paint jobs we're talking about. Wash rooms, drying rooms etc. in the Barracks shine forth with a bright red floor now and do they ever look snazzy. The color brightens and makes the wash room look quite the spice and span spot. Some thing new to open your eyes in the morning.

in the battle for the good list of cash prizes that are being offered. Personnel will not be allowed to go away from the sports field or station during the afternoon.

Entrants should be hard at it by now to train for the various running, jumping, and other competitions that will see action. Special events and spur of the moment tug-of-wars will add color to the day's activities.

The band from Rivers will be on hand for the afternoon.

Put your entry in NOW!!!

The station victory garden is yielding in fine style and fresh vegetables are enchancing the meals of our messes every day now. Pease, radishes, lettuce, carrots, and beans have been gathered from the gardens to date, and fine crops of corn, new beats and tomatoes should be ready for eating in the near future. The messing officer figures some nice corn on the cob about the end of this month.

Meanwhile, extra messing has been doing it's share with such fruits in season as watermelon, cherries and fresh peaches and apricots are coming up so your reporter was informed.

And mark those dates for meals of fowl that are on the menu for this month - August tenth, that's next Thursday, there'll be roast chicken and turkey will be the top meal of the day come the 24th.

Can't you just feel those vitamins coming out in you.

"Baldy Whitford speaking" sez the sergeant and Blackie Blackhall chuckles and carries on..  
.....We're still trying our all-out darndest to find out who the woman was that threw our Cpl. Cliff Norris in the drink at Clear Lake a couple of weeks back. So far no luck...  
.....Harold Temple of the Airmens Mess reported back of leave from the West coast this week, lipstick all over his face and feeling in a fine mood. Must have been quite some train trip Hal, we wouldn't believe that gag about your sister, either.....Was that ever a beautiful hug or was it that W/S Knott threw out to our canteen officer when she arrived on the station this week, back from the annual.... and not even a blush from our Mr. Blundell.....

They've been telling me that Harvey Coates of the canteen, goes golfing quite often these nights but...and we said but, he doesn't arrive back in camp very early AFTER the round on the course. Might be well worth looking into..... And Sgt. Jimmy Purvis of the Link is still trying to beat the time of an English aircrew lad for the little lady in the Royal Bank. T'heck with Wawanesa, we guess, oh.....Cpl. Nels Main from over Supply Depot way has been making the daily trips to town lately and just for what reason?.....We'd say that Doug Armour doesn't need to get so personal with his remarks about students on their Link time. Doug annotated one of the cards "slow to pick up"... which is getting a bit on the personal side, we'd say.....

Congrats to F/L Blunden on being appointed FMC of the officer's Mess on Wednesday night. A gentleman that's just about tops around this station.....LAC Howie Book might offer the excuses that he's practising for the swim meet but he's got to prove it to us Missourians...We happen to know different Mr. Book, you don't swim at that time of the morning..... SCRAMBLE received a note from our former SAO, Mr. Bawlf informing us everything is fine and with a big hello to all the gang back here from out Vancouver way.....We offer our bouquets to LAC Greenburg of Workshops and his new wife...married in Regina last Sunday.

### FRIENDSHIP

If Nobody smiled and nobody cheered,  
And nobody helped us along;  
If each individual looked after himself  
And the good things all went to the strong;  
If nobody cared just a little for you  
And nobody thought about me;  
If we stood all alone in the battle of life --  
What a dreary old world it would be.

Life's sweeter because of the friends we have made  
And the things which in common we share.  
We want to live on, not because of ourselves,  
But because of the people who care.  
It's giving and doing for somebody else --  
On that all Life's splendor depends;  
And the joy of the world when it's all added up,  
Is found in the making of friends.

"Your sister is spoiled, isn't she?"  
"No, that's just the perfume she uses."

A little Indian and a big Indian are walking down a path. The little Indian is the big Indian's son. The big Indian is not the little Indian's father. Who is it?  
(Answer at bottom)

A total of 465 paid admissions to the station theatre last Sunday nite, proved to be the biggest crowd to date. The picture showing was "Going My Way" and we'll bet there wasn't one of those 465 that didn't thoroughly enjoy this fine movie.

"NOT TOO NARROW....  
NOT TOO DEEP"  
(XXXX 4 Star)

This novel by Richard Sale was the one used as the basis for the picture "Strange Cargo". It is the thrilling story of the escape of ten desperate men from a convict island in the Caribbean. He starts his book with the apt quotation, "Flight is a matter of money, but freedom is the will of God".....escape! That is what these men try to do and they learn, as all men must learn, that the hardest thing that any man has to escape from is himself. You won't want to put this book down until you have finished the last line.

**AUTHOR OF THE WEEK**  
Ellery QUEEN

Ellery Queen has a flair for clues. Probably that is why she has been so successful as a writer of mystery novels. Her crimes are often a little gruesome, but the average seeker of thrills will only relish them all the more for that. Also we should note that her clues are cut and dried. She never leaves you feeling that no matter how clever you were, you couldn't have solved the case; on the contrary you generally suspect the right person (among others) before the narrative is through.

We have many of her books to choose from and here are some of the tit-

### AIRMEN'S MESS BEING REDECORATED

The Airmen's Mess will take on a new coat of paint starting next Monday as brush slushers go to work and the mess moves over to take meals in the Blue room for about a week.

The Mess will have that familiar air force pale and dark green combination when the work is completed.

PLAYING BALL IN REAL 'CHAMPIONSHIP STYLE, NO. 17'S AILERONS BEHIND THE NO-HIT NO-RUN HURLING OF JACK CHAMBERS RAN TO A 13-0 WIN AT WAWANEEA LAST WEDNESDAY NIGHT IN AN EXHIBITION BASEBALL FIXTURE. AILERONS PLAYED ERRORLESS BALL FOR THE NIGHT TO MAKE IT A PERFECT GAME OF WHITE-WASHING.

On the diamond and behind the bat, our gang were never better. They fielded, hit and ran in a spectacle of outstanding baseball.

Don't fail to see them play on the evening of the Sports Day, thats this coming Wednesday night.

## DOZEN PLAYERS COMING FROM BRANDON TO TANGLE WITH STATION GOLFERS IN CHALLENGE NEXT MONDAY

Brandon to play a team of our own No. 17 golfers in a challenge affair. Players will pair off according to handicap and will play in foursomes for this event.

The usual transportation from the MT section will be available to station players, on and off the unit.

The following golfers are especially requested to turn out for the event and all others are welcome.

The usual weekly handicap event will also be run off at the same time.  
 F/O Johnston, LAC Hall, S/L Esson, F/O Smith, F/L Gibson, F/O Hones, F/O Wolin, Sgt. White, F/O Bruton, F/L Halliburton, Cpl Anderson, F/L McLennan, LAC Whittaker, Sgt. Swarbrick, Cpl. McCaugherty and LAC Nicholson.

ENTRANTS FOR THE STATION TRACK AND FIELD DAY ARE TO LIST THEIR NAMES UNDER EVENTS ON NOTICES POSTED IN EACH OF THE THREE MESS-BS. LET'S GO BIG!!

## SPORT CHATTER

The Nesbitt people are still battling out their appreciations to our baseball club for their visit down that way last week. We'd like to quote a bit from the thank-you note received from the Nesbitt ball club: "Many complimentary remarks have been heard regarding the conduct of your men, both during the game, and at the dance following. We all enjoyed having them among us." That's something of a feather in our boys caps and it's a good sign to keep it just that way. Sportsmanship and keeping good will at the same throw is a worth while endeavor.

A few of the caustic remarks we've heard floating around about the tennis trip to Wawanea last Sunday are just a bit unfounded, as your reporter took time out to look the matter over. Some of the airmen were kicking at the

choice of officers and NCOs for the tripping team, but we find that of the eleven that went for the matches, two were airmen, and two others had been asked to go but at the last minute for some reason or other had to drop out. We might suggest to some of you fellows that you base your remarks on a few facts before letting loose with that wrath of criticism.

In the orchid throwing would like to pass one out the F/O Jake Bardua way for the fine fighting spirit he's built up in the station softball team, the Bluchounds. "Jake" puts his all into every game, yells his head off as a sideliner and keeps after the boys with confident smiles and a slap on the back. He's in there fighting every inning of the games and it's helped no end in the Hounds drive to service league pennant.

Don't forget, gang, that it takes a little time to get in shape for a track meet so you should be spending all your spare time down at the track getting in trim for the station sports day.

**WOLVES MAY COME AND WOLVES MAY GO BUT BERMUDA GOES ON FOREVER - HE'S HAD IT !!**

This week we have dug deep into the resources of our mastery selections for the wolf-of-the-week and came out with a very surprising result. It is not very often that a world-wide wanderer gets tagged on the shoulder with a reminder that even the walls have ears, but our selection is one that even surprised us, but nevertheless it serves the purpose quite well. Now on with the story, and believe you us it is a diller. One named Paul D. (D for dood-it) Jones has been marked with a heavy red pencil on our list, and as time went by the line became heavier and heavier, and to avoid a strain on the red pencil we brought our person to the top of the list and give him top honors of the week.

Jonsey, formerly of Bermuda, has been with us for quite some time now, and from various conversation that we've had with him (round the bunk conferences) we find him a very fond lover and a lover of the type that is really easily thrilled at the sight of a member of the opposite sex. Taking various advantages of 48-hour passes, Jones has combed this Southern part of Manitoba quite well, yes and has found his likes and dislikes as many others of us have. Of all the places that he has on his travel guide, we find that Deloraine and Clear Lake seem to be the more favored ones. There is all the reason in the world to believe that he has met up with some one or other that seems to draw his attentions there more than any other place. A traveler, collector of photographs, a talker (always having something to say if or not you lend a listening ear) Jones, has made himself quite popular with the boys in BB 10 by the mastery collection of Manitoba beauties strung up on his locker door. Quite a collection indeed, for we have oft paused to admire and must admit that his taste is worth commenting.

A little incident that drew the heaviest line was that of a fortnight ago when Paul was out to Deloraine, having himself a grand and glorious time on the Saturday night. But time waits for no man, and with Jones it was matter of must go back to 17. On his way over to the bus depot at settlement, Jones met some of his friends who came out to bid him farewell. you know - a pleasant trip, it was nice to have you, good luck and until we meet again, all my love, but the pay off came when not only was there on fair damsel to follow the parting routine, but five, mind you five and all nice stuff. Despite the fact that he had told the same old yarn to each and everyone of them, Jones was not put in a precarious position when they all congregated. He took it like a man, and boy did his neck ever take a beating. Well, fellas, we could go on for hours, as we have really scooped up a lot. We have paused to wonder why he has taken up the new position over at GIS, but guess that he needed more room for thought. Nevertheless, it is fun while it lasts - so we'll wind up our wolf patter with an extended hand of congratulations to AGL Paul D. Jones, and may you have all the luck and fun that has stayed with you all this time.

**HOBBY CRAFTS ROOM IN YVICA BOOKING ALREADY**

The Plastic and leather crafts hobby room in the YVICA building, off the games room, is going great guns already as many airmen have taken hold of opportunity, and made use of their spare moments to do some useful and interesting spare time work. The room is equipped with tools for cutting & piecing leather and plasti-glass patterns. Leather can be purchased from Mr. Tully at a very reasonable rate and plexiglass is supplied free.

The favorite among the leather workers at present seems to be making fancy watch bands.

**AIRMEN ATTEND DANCES AT WAWANESA**

Close to 30 airmen went to a dance at Wawanesa last Friday evening. The gang had a pretty fair time in all, but the number of girls on hand was disappointing.

Again on Wednesday, the baseball team plus a few others attended the dance at the Wawanesa Community Hall after the exhibition game.

**GIRARD AND MITCHELL IN TENNIS PLAY**

F/S DICK GIRARD AND P/O H.M. MITCHELL WILL REPRESENT NO. 17 IN THE TENNIS DOUBLES AREA PLAYDOWNS AT RIVERS THIS SUNDAY.

The station tourney hit several snags last Monday & Tuesday, what with pay parade and Officers and Sergeants Mess meetings, and was more or less of a fizzle. It is hoped to organize a station club soon.

Meanwhile, the courts are getting plenty of action every night.

**ARCHERY TARGETS SET UP BY DRILL HALL**

Archery targets, backed by a baled hay stop, are all set up near the drill hall ready for action. Arrow shortages at present hold up the sport.

Sgt. Claxton will be on hand at sport stores most every night to give archery instruction.

**AIR CADETS COMING**

THE SECOND CLASS OF AIR CADETS WILL TAKE THEIR SUMMER CAMP HERE FROM AUGUST 14 TO 26th. ABOUT 40 YOUNG AIRMEN WILL MAKE UP THE GROUP.

WO2 Gray makes such a perfect date, because the gals claim he gets rough with them, no of this smoothie stuff. It's summer, now mowed hay and so on.

Lightening, thunder, a bag in the attic.....why just ask Porkie Riess....

# SWIMMERS' OFF TO BRANDON FOR CHAMPIONSHIPS TUESDAY

## THIRD IN BASEBALL TOURNEY

Ailerons tripped to Res-ton last Friday and came out third in the district baseball tournament there. The station team won two games, one by a 3-0 count, one by default but lost out in the final by a close count 1-0.

## HARTNEY GOLF TOURNAMENT

The Hartney golf club is holding their tourney on Sunday August 20th, beginning at 10 A.M. There will be 18 holes qualifying event, and 27 holes of medal play with total score to count; also a four man team event.

## SCRAMBLE NEWS BOXES

SCRAMBLE IS PLACING NEWSBOXES IN THE AIRMENS CANTEN, THE YICA AND THE SERGEANTS MESS THIS COMING WEEK. YOU ARE ASKED TO USE THESE BOXES IN SUBMITTING NEWS FOR SCRAMBLE....AND PLEASE, GANG, LET'S FILL THEM UP. HERE'S YOUR CHANCE TO GET A CRACK IN AT YOUR FRIENDS IN ALL GOOD FUN.

THE BOXES WILL ALSO ACCEPT SUGGESTIONS ON ANYTHING, COMPLAINTS AND SO ON BUT WE ASK THAT YOU DON'T LOAD THEM UP WITH A LOT OF FOOLISH JUNK.

PICK UP THOSE PENCILS AND GIVE US SOME COPY.

## EIGHT MEN MAKING JOURNEY

THE STATION SWIMMING TEAM, HARD AT PRACTICE FOR THE PAST COUPLE OF WEEKS GO TO BRANDON POOL NEXT TUESDAY AFTERNOON FOR ENTRY IN THE AREA SWIM MEET. WINNERS AT THESE CHAMPIONSHIPS WILL TAKE THE TRIP TO WINNIPEG NEXT SATURDAY AUGUST 12 FOR A TRY AT THE COMMAND TITLES.

Team and individual events will be entered by our swimmers.

The following airmen will fly our colors. The best of luck to you all gang and bring home some winners. LAC's W. Marshall, Hess, Plotkin, Chipperfield, Book, S.G. Thomas, B. Westhead and K. Jones.

## LAST WEEKS GOLF WASHED OUT - SOME PLAYERS GO TO BRANDON

Because of the pay parade last Monday night, not enough golfers turned out for the handicap event and therefore no prizes will be given. However, a strong turnout is expected next week when the weekly tourney will be resumed.

The Western Manitoba Open is being played in Brandon this coming Sunday and a number of our golfers are participating. Who knows, we may produce a champion yet. The best of luck to those who are entering.

...AS ADDED ATTRACTION AT SPORTS DAY

THE JOCKEY'S ARE UP AND THE RACE IS ON AS THE SADDLE CLUB DERBY HITS THE TRACK IN THE PONY RACE OF ALL TIME NEXT WEDNESDAY AFTERNOON AT THE HUGE STATION SPORTS DAY. THE DERBY WILL BE RUN SOMETIME DURING THE PROCEEDINGS OF THE TRACK AND FIELD EVENTS. AND WHAT A RACE IT WILL BE.

Unit coppers will attempt the drive to victory in the persons of F/O Robert Hulme, D/PM, F/S Jim Wilson and Cpl. Porteous. If either of boys beat the DA there'll probably be something or other to pay but they promise the race is definitely on the up and up, everyman for himself. LAC Hope will have the hopes (note pun) of the Fire Section and tho' it will be a bit different from riding atop the fire truck, he's game and willing. LAC "Longdon" Livingston will be up for the cooks and should be

one to watch as 'tis rumored he once booted home a show nag in the Zootonville handicap.

The riders are all set and satisfied but we haven't as yet had an interview with the horses.

Stakes donated for the winners by the S.O are a bale of hay to the horse and a bottle of warm beer for the winning jockey.

# HOUNDS KEEP UP SIZZLING PACE

WIN TWO THIS WEEK TO KEEP AHEAD OF RIVERS TEAM

RIDING THE CREST OF THEIR WINNING STREAK, BLUEHOUNDS CHALKED UP THEIR FOURTH WIN IN A ROW WITH THRILLING WINS OVER RIVERS AND VIRDEN IN TWO OUT-OF-TOWN GAMES THIS WEEK. THE VICTORIES KEPT THE HOUNDS ON TOP OF THE LEAGUE RACE BY HALF A GAME IN THE EXCITING WHIRLWIND FINISH OF SCHEDULED PLAY.

Tripping to Virden on Tuesday night, Hounds outfought a game Elementary team 6-3 to top off their wild victory over their close rivals at Rivers last Sunday night 10-8. Both games were thrillers as the Souris ten kept their determin-

ed uphill fight to win the right of representing the league in the coming area playdowns and with an eye on the Command championship. And they're playing dandy softball.

Rivers defeated Shilo 3-2 Tuesday night to keep within striking distance of our club. The game called for Thursday night here was rained out and Rivers will play on our diamond this coming Monday night. If we win this game, the CNS gang won't be able to catch us.

## WIN AT VIRDEN

Herbie Mann, who has stuck on the Bluehound mound throughout the league schedule, held 19 EPTS batters to six scattered blows on Tuesday night to ride in for a 6-3 win. Souris connected for 8 safties, one a homer by Murray Ehrlick, for his fourth of the season.

Smith led Hounds slugging with three for ch-

ree and a perfect night at the bat. The locals went ahead two runs in the first inning, added 3 in the second and one in the last. Sensational fielding in the last few minutes stemmed a Virden rally to overtake the Hounds lead and their last stanza attempt was cut at two runs. Virden muffed four while our errors were charged against Lewis, Mann and Baine.

## RIVERS GOES DOWN

In a wild tussle that proved a nightmare for Rivers in parts, the Hounds rode home to a 10-8 win last Sunday at 1 CNS diamond with an 8 run splurge in the third inning. The victory was our second over the Navigators in the last two tangles.

That third inning saw just about everything happen and Navigators

The Navigators settled down to steady ball after that inning, holding our club to one hit and no runs for the remainder of the game while they added to their total bit by bit to make the game exciting to the last batter.

Paul Goudron got two for four to be the best man at the plate for Souris, while Ehrlick and Connolly pounded out a honor apiece.

Herbie Mann was touched for nine hits, but held control of the game in striking out eight Rivers sluggers. He passed 3 men on balls. Bluehounds banged out 11 hits off Pike.

ANOTHER WEEK ROLLS BY AND ONCE AGAIN I FIND THAT I HAVE TO GET OUT YE OLD LEDGER, WIPE OFF THE DUST AND SETTLE DOWN TO LOOKING OVER THE FR SH ENTRIES..... ESPECIALLY THOSE IN RED AS THIS COLUMN DEALS SPECIFICALLY WITH THE UNHAPPYER SPECIES OF HUMAN BEINGS, WHICH TAKES IN A LOT OF TERRITORY, DOESN'T IT FELLAS??

Well that day of days for out station is rolling around..... the day when all sport enthusiasts will have their opportunity to show their prowess in that type of sport in which they excel. No doubt, I know there will be those who will be parked on the sidelines and telling everyone in voice reach how they could do it better... well, gang, if any of you can do it better, now is the time for you to do your part and prove your point, and I promise you you'll be plenty welcome in that select group of sportsmen... It promises to be a Gala Day here what with invitations out far and wide to civilian friends to attend... For that reason, I'd hate to see us let down right in our own camp. Lets make it a real day of fun and enjoyment, gang...

We sure have a swell gang on that softball team that call themselves the BLUEHOUSES, they're really giving the opposition plenty to think about as the time for the finals draws nigh..... Anyway fellas you have my deepest confidence that even should you not reach that top position you will still be the best team in the country... The fruits of your labot are before you - take em!

By the time this copy reaches the great outdoors, friend "MITCH" will be back on the Job and furthermore, will be bringing a brand new wife to the fold... Congratulations Corporal Mitchell, I know that nothing but happiness can come your way... You seem to manufacture happiness wherever you go and I know it

won't stop now ..... Sergeant whats-his-name, in the hospital is sure a mighty happy guy these days. It seems that he was on a lettuce hunt the other night and pulled the jackpot. He has the honor of picking the mostest lettuce in the leastest time... So that's why they call it a Victory garden.

LAC Gisel of the Accounts was seen in pretty tough condition last week.. Seems that it's the old story about a baseball that was responsible for that eye.. more baseballs flying around these days. Anyway, it's much better now and that blackeye is nothing but a memory for "Gis". You fellas will have to stop going out with baseballs.

None other that "Blondie" Chamberlain of Control Tower was seen gazing off into space the other day with the most beaming smile playing upon her countenance. The reason, well, no one seems to know, neither can they think of any, because, well there is nothing to warrent it - is there?

If you ever had the misfortune to have to attend the morning sick parade, and fow have I hope, because it is no fun to be sick. Anyway if you have you probably remember that team Hall and Daubert.... I came away from the hospital that morning wondering how two guys

could be so snappy with the come-backs so early in the morning. Just two rays of artificial sunshine I guess, only you just can't turn them off so easily..... At the pay parade the other night, we had a little talk and warning from F/L Toft regarding the fact that our timing is way off line and that when the time for any parade is set for a certain hour, we should be there, well, fellas take it from an airman no truer words were ever spoken... It seems that we just like to get t ore not a moment to soon which just isn't right. Surely we can make it a point to give everyone a break that we would expect ourselves, and be there on time. It is also very noticable at the theatre every night, I know because I've been in that line too, and intend to correct myself. How about all of us doing the same and instead of arriving there at seven thirty and then crab because the picture starts on time... something to think about fellas.....

Shados of gathering twilight if I didn't hear Corporal Jeff Jeffries trying to get down town without loosening up that overchoked pocket-book.
