17 WING MESS MOVES TO STN. WINNIPEG

To Cut a Ribbon

In the above picture the Hon. Errick F. Willis, Q.C., M.A., LL.D., Lieutenant-Governor of Manitoba, is shown cutting the opening ribbon of the new mess. Standing with the Lieutenant-Governor is W/C J. T. Anderson, PMC of the Mess. In December, 1963 the Wing moved from the Carlton St. location to new quarters on Stn. Winnipeg. The new Officers' Mess is located in Building 6, Stn. Winnipeg. Extensive renovations occurred in January and February with the mess being officially opened on 20 March by Mr. Willis. In conjunction with the mess opening ceremony a formal ball was held on the same evening to celebrate the 10th Anniversary of the RCAF. Representatives from the three services and former mess members attended the function. The affair was a complete success and the new mess was happily and properly christened.

THE SERVICE JUDO CLUB WORKS UP A STORM

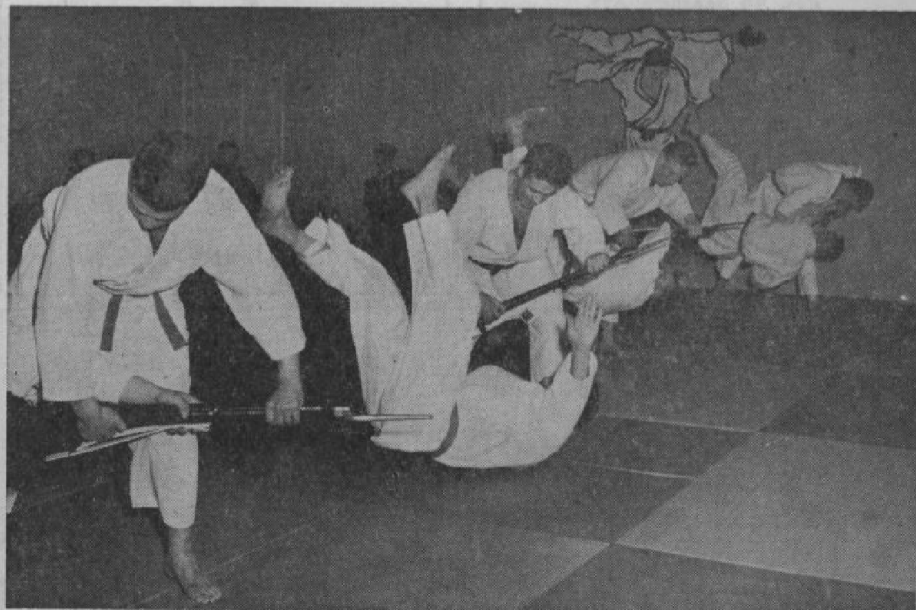

To Shoulder Throw

Judo is now becoming one of the most popular and practiced sports in the Armed Forces.

It is emphasized that Judo is a body contact sport designed to stimulate physical conditioning and mental alertness with the minimum amount of injury. Participation is not limited as people of all ages and either sex can take part because its high ideals build character and foster good sportsmanlike conduct.

From the 14th to the 20th of March RCAF Stn. Winnipeg hosted a Tri-Service Judo clinic. The main purposes of the clinic were to standardize instruction and to promote Judo in the services.

Cpl. Masoa Takahashi, Yon-Dan, (4th degree black belt) was the chief instructor and made the course a complete success.

It was good to see so many families worshipping together at the Easter Services. Every Sunday is "Easter in miniature"—that is why we meet on the first day of the week—to remember the Resurrection of Christ.

Our schedule of services is arranged so that most families are able to worship with their children. So, every Sunday is an opportunity to occupy the "family pew".

The next meeting of the Chapel Guild will be held on Monday, 13 April.

The Junior Teens will present a Fashion Show in the Drama Club theatre on Saturday, 2 May. Please keep the date in mind.

TEEN BEAT

The inter-church conference over the Easter holidays was a huge success, the registration being about 200 on Monday morning. We would like to thank all the women's groups and all the young people's groups for their cooperation. We would like also to thank the Deverons who put on such a great show at the wind-up dance on March 31. These boys are wonderful and will probably really go places if they keep up the good work.

This Saturday, April 11, the Senior Teens are sponsoring a "Beatle" dance in building 24 at 7:30. The admission is 25 cents per person. We would like everyone (girls too) to wear something "Beatlish" to add to the atmosphere. Need we say what music will be played all night? Everyone is welcome.

Catholic Women's League

The Catholic Women's League will meet on April 13 at 8:15 p.m. sharp, in the Chapel. This meeting will be of interest to all as the speaker will be Mr. Zimmerman, Chief Probation Officer of the Winnipeg Juvenile Court, who will speak on the problems of young people. The Protestant Ladies' Guild has been invited to attend this meeting and lunch and we sincerely hope for a large turnout. See you there.

FLYING WING FLIGHT CHECKS

"A BIRD'S-EYE VIEW"

Arrivals: Another group of new pilots arrived last week. F/O's Lynch, Gagnon, Meyers and McArthur have joined "D" Flight while waiting for their OTUs'. Welcome to Winnipeg and ANS.

On course: F/O Stu Isenor has apparently had enough of the soft city life. Stu starts Winter Bush Survival on the 13th of April.

F/O Mike Hart is getting ready to pack his bags for three weeks on the SIT course and then off to Moose Jaw in the summer for the Expeditor FIS.

Crew list: F/L Bill Tunstead took over as "B" Flight Commander from F/L Ivan Moreside, on 1 April.

F/O Chuck Chapman has taken over the Stats 111 job while F/O Brian Watt is on leave.

Bits 'n' pieces: The ANS Dinner Dance is being held in the Mess on 11 April. There will be a retirement party for S/L Ernie Garrett and F/L Ivan Moreside at the Dinner Dance. Hope to see a large turnout from Flying Wing.

F/O Buff Bisson, our OC Pubs, has obtained several sets of American Low Level Letdown Books. The books cover the Northeastern and Northwestern U.S., Flight Planning Center has the books and they are available on a loan card basis. The books are kept up to date, so you won't have a handful of amendments to put in.

Flight safely: It looks like spring is upon us now (and about time!). With the arrival of spring the birds (feathered type) will start nesting in our birds (aluminum type). Their favorite spot is in the carb air intakes, but they'll nest in cowling, tail cones and exhaust stacks.

The C-45 flaps are another place that they find cosy.

Interim Flying Clothing went into effect on 6 April. Have you removed the nylon scarf yet?

Shut down: That's it for this issue. Till next week,

CLUB 61

By JIM LEWIS

While a good crowd attended the club last weekend the effect of the Easter weekend could be noticed. Two new bands were introduced. "Willie Wendt," on Saturday, appeared to be well received and on Sunday we auditioned "Wayne Walker and the Strollers." This was not advertised as it was not an official engagement, however they have a fine group for the younger members of the club and do a number of takeoffs on the "Beatles." If this is your type of music make a note, they will be appearing at the club on Saturday, 2nd May.

As of writing this article it appears the curling bonspiel will be a success. It was thought more people would be involved but we came up with 16 rinks which is quite satisfactory.

Tonight, Friday, is "Stag Night" at the mess. Tomorrow, Saturday, will be dancing to "Ed Lane and his band" and Sunday's movie is "Trouble With Harry."

If anyone is interested in club activities there is a Proposition Book behind the lower bar for your use, all instructions are with it, and only the suggestions entered in this book will be considered at the general meeting. This is to save time at general meetings. That's it for now—see you at the club.

HOGGING THE ROCK

By KEN STEPHENSEN

The ladies held their final bonspiel last week and if success can be measured from enjoyment, you would have to say the results were outstanding. Following a banquet in the snack bar, the girls returned to the curling club for the presentation of prizes and a fashion show.

Winners of the 1st event were; Betty Batchelor, Dot Brown, Adelaide Heppner and Moira Husband. Runners up were Jean McArter, Trudy Shannon, Kay Kostiuik and Joan Fowler. Winners of the 2nd event: Helen Lord, Doreen Bacon, Irene Skinner and Faye Bouchard. Runners-up: Joan Wright, Ginny McVeigh, Norma McKeigan and Vera Doedskin. The 3rd event winners were: Gladys Reid, Felicia Eaton, Bernie LaBlanc and Audrey Thompson. Runners-up: Lee McKee, Marg Carnahan, Clare Colston and Jean Tunstead.

As most readers are aware, all the girls participating in the bonspiel were in costume, some of which were exceptional to say the least. Doreen Bacon finally was voted the winner for her role as "Grannie" the Beverley Hillbilly. The fashion show which consisted of a parade of "Hats for the Occasion" was the highlight of the evening. Some of the creations looked like material from the Outer Limits although they were all useful in their own way. If I were awarding a prize it would have to go to what was rightfully termed—the "Garter" hat. Congratulations to the models and designers under the leadership of Jean Herbin. A presentation was also made to Jim McPherson for his unwavering services during the season.

The Intersection Championship was also decided last week when 10 TSU defeated SOMSE/SOSup. Members of the winning team were: Bob Maxwell, Frank Kaplonski, Glenn Stewart and Gord MacAdam.

Winners of the President's Trophy were Al Sather, Andy Anderson, Vic McCormack and Brem Murray. The Vice President's Trophy was won by Joe Price, Sandy Gelatley, Al Bennett and Pete Stefiuk.

The mixed league bonspiel held at the start of the week was won

by Al Sturgess, Mary Sturgess, Pete Saunders and Norma Taylor. Runners up to the winners were: Gerry Gribbling, Joan Gribbling, Bill Colston and Clare Colston. Winners of the 2nd Event were; Ross Hambley, Edna Hambley, John Cotter and Helen Lord. Runners up were; Russ McClean, Edna McClean, Audrey Mills and Neil Keating. Winners of the 3rd event were Al Sather, Ramona Sather, Vic McCormack and Sydna McCormack. Runners up were Wally Kostiuik, Kay Kostiuik, Al Campbell and Anne Campbell. All received nice prizes and the winners of the 1st Event were also presented with individual trophies at last night's banquet.

Beefs and Bouquets . . . since this is my last column for the season I would like to add some personal footnotes . . . First to Andy Anderson, John Cotter, Bill Vinten, Jim McPherson and Paul Martin—a big well done for the many extra efforts and sacrifices made on behalf of all members . . . Also on behalf of the committee, many thanks to Ron Merriam who was always there when volunteers were called . . . and to Lorne Common and Bob Ibbison, as usual your services were appreciated . . . Aside from individual acknowledgements, co-operation received from the Station Services, Warehouse, CE Section, Combined Mess, Westwin Exchange and SRecO can hardly pass unnoticed . . . Closing remarks; All in all, it has been a good season not only for the pros but especially the newcomers in the mixed league where anything can happen and usually does. I would have to pick Ken Larush as the most improved male player this year, and Gladys Anderson as the most improved female player. Having watched them both last week-end, one finds it hard to believe that this was their first year . . . Well Ron should be back next week with his final summation and coverage of the trophy presentation, meanwhile, we'll see you all next fall.

JUNIOR BOWLING CHAMPIONS

W01 Carnahan presents PMQ Council Trophy to Paul Barrett's rink, Junior League Champions.

Inter-Section Bowling Wind-Up

By PETER LANGER

A rather successful season has come to an end. Of the 24 teams that started the long winter battle, 20 managed to stick it out to the end. 12 teams were in the play offs, thereby extending their season by a further 2 weeks.

The League, being divided into two Divisions, had two Division Champions. Team "D" (East I&E) was the power house in the Tuesday night Division with team "G" (Para Rescue) running a close second. May I mention that this was Rescues first time in League Competition. In the Thursday night Division two TCHQ teams, APC and SOOrgM were tied in points for first place. Since APC had the higher pinfall, they were awarded the Championship while SOOrgM had to be content with the runner-up spot.

The big surprise of the season turned out to be the "GIRLS" (?) team from TCHQ/SPSO. In the final few weeks of league competition they showed their nasty side by being giant-killers. Not only did they assure themselves a play-off spot, but they also shattered the dreams of a few hopeful teams by taking 3 of a possible 4 points from the (up to that point) stronger teams.

The play-offs presented a familiar picture. Thursdays team (Workshop) finally came through with a team effort and finished as League Champions with a six game total pinfall of 6391. Good bowling gang. Although the TCHQ/SPSO six were some 200 pins from the pace setter after 3 games, they knocked down the most pins in the second leg of the competition and nosed APC out for the runner-up spot. SPSO's total pinfall was 6376. It couldn't have been much closer.

Competition was not only keen during the play offs, but also during league play. Records were made and broken, time and again. The people that will receive silverware for individual performances are:

- Men—High Averages, G. Blackwell (205).
- Ladies—High Average, I. Burt (168).
- Men—High Triple, B. Johnston (832).
- Ladies—High Triple, M. He (700).
- Men—High Single, M. Murphy (356).
- Ladies—High Single, B. Findlay (295).

Here then is hoping that we will see you at the Banquet on the 10 Apr in Bldg. 34.—Good luck and good bowling.

SERVICE BRIEFING

BIRD BURSARY

A gift of about \$14,000 from civilians and air force members of RCAF Station Bird, Man., will go toward a scholarship in perpetuity at the University of Manitoba.

To be known as the "Mid-Canada Line Station Bird Bursary", it will allow a Manitoba student of Indian origin to continue any field of study on a scholarship administered by University of Manitoba officials.

As previously announced, Station Bird is closing this Spring along with other western MCL sites as new heavy radar stations with improved coverage begin operation in the Canadian prairies.

Squadron Leader Robert Frith of Toronto, Commanding Officer at Bird, said the money came from canteen and mess profits accumulated during the seven years the unit operated. Funds were also realized from the recent sale of mess fixtures and furniture.

COMPENSATION PLANNED FOR SURPLUS SERVICEMEN

OTTAWA—The Defense Department is considering a plan to make cash settlements to those members of the armed forces who will be forced to retire prematurely because of integration of the services. A department spokesman said yesterday that the plan still is in a tentative stage. A firm decision will be made when present proposals have been sifted by Treasury Board.

SIGNAL! WHAT SIGNAL!

HALIFAX—A revised standard visual acuity for officers has been adopted by the Royal Canadian Navy. The RCN recruiting office in Halifax, Lieutenant Commander B. N. Weber, RCN, says the new standard means many high school students who wear glasses will now be eligible for enrolment in the RCN as officer cadets under the tri-service Regular Officer Training Plan, or the navy's Short Service Officer Plan. A major increase on the revision has been increasing efficiency of and reliance on electronic "eye", radar, for detection and observation.
