MEET THE GRADUATES — 6308 RO 6309 LR

The graduates of course 6308RO and 6309LR are shown with the Commanding Officer of RCAF Station Winnipeg, G/C D. A. Willis, DFC, CD, and A/C C. W. Burgess, DFC, CD, after the graduation ceremony on 12, Feb. 65.

On Friday evening, 12 Feb., A/C C. W. Burgess, D.F.C., C.D., presented wings to twelve radio officer students and nine navigation officer students at an ANS graduation parade held in the Old Drill Hall at Station Winnipeg. This also marked the last time that the Red and Air Ensign were carried on the parade by a Colour Party.

After presentation of the wings to the graduates, in a brief address to them A/C Burgess expressed great pleasure to be able to do a repeat performance of the awarding of wings, an occasion which he had the opportunity to do eleven years ago.

A/C Burgess remarked on a newspaper item; that the RCAF was buying museum pieces for its duties. He then went on to say that the fine reputation of the RCAF has not been made by malcontents, but that its record has been created by people like the graduates who are dedicated to the service of their country.

In giving sound advice to the graduates, A/C Burgess told them that the type of career they want depends strictly on their effort and desire to succeed.

The graduates will now be proceeding to operational training units for further training which will fit them to assume duties with Squadrons in Transport and Maritime Commands.

Navigation Officer Course 6309

F. O. G. AUSTIN: was born in Flin Flon, Manitoba on 30 May 1942. It was at Flin Flon that he completed his primary education

and obtained his Junior Matriculation from Hapnot Collegiate. F/O Austin then enrolled at the University of Manitoba and in May 1963 he graduated with a Bachelor of Science Degree. While at University, F/O Austin worked for the Hudson Bay Mining and Smelting Company and for the International Nickel Company at Sudbury, Ontario. After graduating from University, F/O Austin enlisted in the RCAF in November 1963. Following graduation, F/O Austin will be employed on flying duties with the RCAF.

O/C A. G. ARMSTRONG: was born in Montreal, Quebec, on 15 October 1945, and still considers Montreal his home town. He obtained his Junior Matriculation from Verdun High School in June 1962 and his Senior Matriculation from the High School of Montreal in June 1963. After completing his education O/C Armstrong joined the RCAF in October 1963. Following graduation as a Navigator, O/C Armstrong will be employed on flying duties with the RCAF.

F/O H. P. BLOIS: was born at Halifax, N.S., on 20 January 1940, and still considers Halifax his home town. He completed his primary and secondary education at Queen Elizabeth High School and then enrolled at Dalhousie University in an Engineering Course. He then joined the RCAF under the ROTP in 1958 and graduated from Dalhousie University in 1961 with a Diploma of Engineering. F/O Blois also attended the Nova Scotia Technical College and graduated in 1964 with a Bachelor of Civil En-

gineering Degree. Following his graduation from ANS as a Navigator, F/O Blois will be employed on flying duties with Maritime Air Command.

O/C E. T. J. CONDE: was born at Saint John, N.B., on 21 May 1943. He graduated from Eastern Charlotte Regional School in St. George, N.B. and then completed the first year of Commerce at St. Joseph University prior to joining the Air Force in December 1963. Editorial

Answers to our questionnaire are still coming in and our thanks to those readers who in this way show that they care about this station and its paper.

In response to these requests we have changed our policy regarding classified ads. Starting next issue such ads will be free of charge. However, those ads that are commercial in nature will still be assessed a charge. We specifically refer to individuals working for or as a commercial agency and who, for example, advertise five or six houses for sale. This distinction is made to guarantee space for the purely private advertisement and also in fairness to our other commercial advertisers without who's faithful support this paper could not be published.

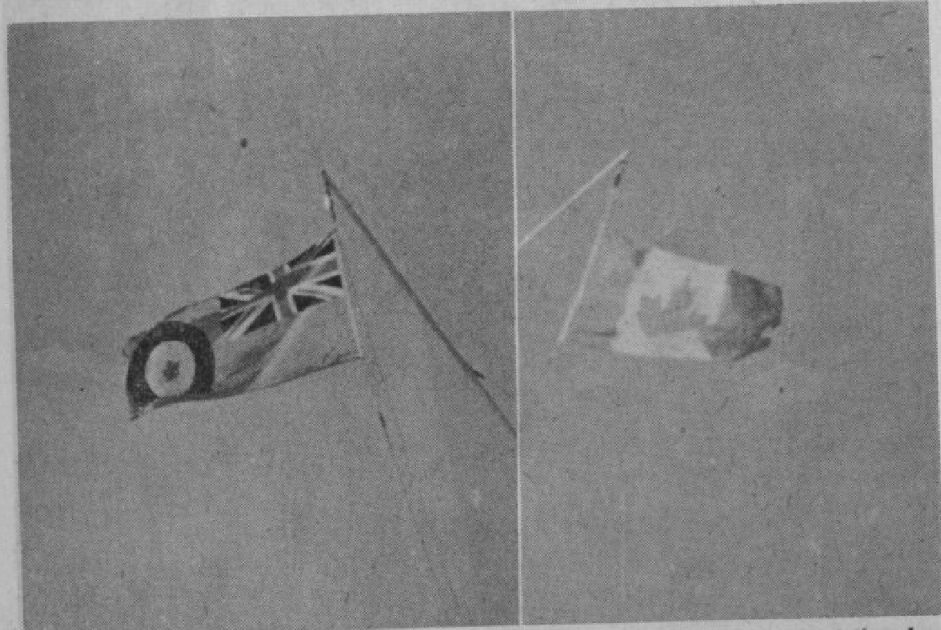

Also, judging from some of the "plain talk" answers we have received, there must exist a fair number of "characters" on this station. To that end we will start a "Profile of the Week" column in an attempt to catch some of the spicy images on our station.

Finally we would like to inform those, who's suggestions have not been mentioned, that we are keeping your opinions in mind.

Parking Plugs and Traffic Lights

S/L MacKenzie, the Station Construction Engineering Officer, informs us that he is receiving numerous queries about parking block heater outlets and also regarding the feasibility of a traffic light on the corner of Whytefold and Ness. His answer to these obvious requirements is first that a submission requesting 100% plug-ins was sent to CFHQ but was not approved, and second, that the St. James Council have been approached regarding the Whytefold-Ness traffic light. The Council has handed the matter over to Metro and it is now under consideration by that body.

Down With The Old, Up With The New

Monday 15 Feb. marked the official raising of Canada's Maple Leaf Flag. Representatives from stn. Winnipeg attended the ceremony at the parliament buildings in downtown Winnipeg, as the Ensign was lowered and the new flag took its place.

Pen Points To Personality

To those persons who have sent in samples of their handwriting, the Editor would like to say "please bear with us" if your analysis has not yet appeared in this column.

If you have followed the instructions of how to submit a sample, Pam will most certainly analyze your writing. That it does not appear as quickly as you hope, does not mean that we will not print it, or have forgotten. The response to this column has been so overwhelming that we are backlogged. Nevertheless, have patience and we will print your analysis as soon as

possible. Address all samples to the Editor, Voxair, R.C.A.F. Station Winnipeg, Westwin, Manitoba.

"Ish"

This writing is different to say the least, and it is written in brown ink! Some contend the choice of colour means a great deal, in this case it must certainly amplify other signs in the writing pointing to the eccentricity of the writer. This fellow has much talent, but has not yet (in his 20's) learned to use it to best advantage. He shows strong aesthetic tastes, creative ability, a thirst for knowledge of the cultural type, excellent mental ability, and should do well in the literary field. His talents are clearly shown by the cultural "e's", the Greek "d's", the printed forms, and frequent breaks in the words,

"Humphery"

You are very definite in your views, and in your likes and dislikes, and love to talk and express your opinions. You have a good imagination and some high ideals, but you talk about them when you might do better by working towards them. You show an interest in many things, and have an analytical and investigating mind, your theories are logical, but you could afford to investigate a little more deeply, at times, before forming those firm opinions. You are quite sincere, but sometimes too outspoken, and tend to rebel against the things which seem wrong to you. You show some disappointment, perhaps because things don't always work out the way you think they should, but you are not easily discouraged for long, and your sense of humour will help you to come out on top. You are loyal to your beliefs, as to your friends, and once sufficiently enthused to really go into action, you can work hard.

"Cynde"

You are a warm and responsive person, and show a friendly personality to one and all; however this friendliness goes just so far you are actually quite discriminating in your choice of close friends and if people try to get too "nosey" or intimate, you can back off with finality; you resent intrusion into your personal affairs and feeling and are self-contained and independent. You are neat and tidy, thorough and conscientious worker for you are ambitious and generally optimistic. You have a healthy curiosity and a quick penetrating mind, you learn easily and remember well. You think clearly and logically, you do not trust your intuition too much, but you are young, and I think in the next few years you will find that you can You are rather sentimental and romantic, and remember little things a long time. You also show plenty of generosity and consideration for others.

Catholic Womens League

The first meeting for 1965 was held Feb. 9th with 22 members present. There was very little business except for the reading of many thank you notes from grateful recipients of cash donations or help of other kinds. Among the mail was a letter and photograph from the young Seminarian in India, who is being sponsored by the group. We shall now be in correspondence with him, and this gives a feeling of doing something really worth while.

One major item, however, was the motion passed to hold a bazaar in May, since we are sorely in need of funds to continue with our various charitable projects. It was decided to "go the limit" and have a combined tea, bake sale and general bazaar. Suggestions were made for a fancy goods table, novelty table, handicrafts, white elephants and a fish pond for the kiddies. This bazaar, in order to be a success, must involve everyone. We need ideas, we need items of every kind to sell, in large number, we

need a committee to work on the organization, and many willing hands to run it. You have 3 months in which to knit, sew, buy or otherwise collect items to sell, so please help us, and try to make very best use of this time. How about getting hubby in on this too? Many men have productive hobbies and would be willing to donate something to the cause! If you have any ideas, or would be willing to work on a committee, or help in any way, please give us a call at VE 2-4466.

The next meeting, March 9th, will be election night. We want it to be a good and democratic election, so therefore we want YOU to come out and vote! Nobody will be forced into taking any office against their will, so don't stay away on that score! Come and bring a friend, and let's have lots of nominations and lots of votes!

WPG. SPRINGBOARD DIVING CLUB

This is to inform all interested that in January, 1965, a new club called the "Winnipeg Springboard Diving Club" was formed and became affiliated with the Canadian Amateur Swimming Association.

The formation of this club is a direct result of the Canadian Springboard Diving Championships which were held here the early part of January. The top divers of Canada from coast to coast participated in this competition, and yet Winnipeg as host had just a single entry. It is most apparent that this sport needs a "boost", so some interested people have formed this club in the hope that diving can be revived in this city. Facilities have been obtained at the R.C.A.F. Recreation Centre, Whyteford Road. The club meets Saturdays from 12:00 noon to 1:00 p.m.

All that is necessary for any of the Air Force personnel or their families to join this club is the ability to swim one length of the pool and to tread water three minutes.

Please realize that until the 1 metre diving board is restored, that all instruction will be given from the side of the pool or the 3 metre board.

The two diving coaches, Messrs. Bryan Middleton and Peter Munsters have extensive backgrounds in this sport, and wish to point out that no previous diving experience is necessary, just your sincere interest to participate, after all — they were once beginners themselves.

That's the Winnipeg Springboard Diving Club, R.C.A.F. Recreation Centre, Saturdays 12:00 noon to 1:00 p.m.

BROWNIE ENROLLMENT

Recently a large enrollment took place at the Jameswood School when 17 Tweenies were enrolled as Brownies of the 148th Brownie Pack. Mrs. McArter, the Commissioner, presented the Brownie pins. Mrs. Watters, Brown Owl, Mrs. Parker, Tawny Owl and Mrs. Carew, Snowy Owl, assisted. The Brownies enrolled were: Sharon Redford, Candy Richards, Donna Hird, Joyce Kitching, Susan Anderson, Gertie Lundrigan, Debbie Dagle, Dianne L'nevue, Cathy Clark Dawn Phillips, Faith Deschenes, Deanna Tait, Gloria Mosca, Susan Carew, Ann Parker, Starr Bourne, Pamela Lewis. Catherine Sullivan received her Swimmer's Badge.

This year the Brownies and Guides enjoyed a combined Christmas Party at the Drill Hall. They each received a gift and of course Santa Claus was there to distribute them. While there each pack contributed towards an amateur show which everyone enjoyed immensely. The Brownies and Guides are now looking forward to their regular programme of activities which includes both work and play.

Any Mother interested in helping out one of the Packs of Guides or Brownies is urged to get in touch with the Brown Owl or Captain of their daughters specific group.

BACHELOR RINK WINS AT GIMLI

GIMLI, (Special) — Mrs. Betty Bachelor skipped her rink from the RCAF Station, Winnipeg, to victory in the first event of the Gimli Ladies' Bonspiel, which was held here over the weekend with 48 rinks participating.

Mrs. Bachelor and her teammates, Iris Magura, Jean McArter, and Jean Tunstead, were presented with the Magnusson trophy by Mrs. Lorraine Arnason, president of the Gimli Ladies' Curling Club.

Pat Savage of RCAF Station Winnipeg, won the first prize in the third event, with Mrs. Fran Veale of Gimli getting second prize, Mrs. Eleanor Caird of RCAF Gimli third, and Mrs. Maude Buck of Gimli, fourth.

Play It Safe

Be honest; admit there are times when you shouldn't drive your car, particularly when traffic is congested and road conditions are dangerous. If you're tired, angry, nervous - up, rushed, drowsy, impatient, bleary-eyed or uncertain of yourself behind the wheel, ride with someone else or take a bus or taxi. The cost is relatively low; the cost of chancing it can be high. It can include death!

STATION HOCKEY

By AMOS BELLIVEAU

Like so many of my previous columns this one reports one winner and one loser. The first one being the loser.

This game saw us go down to No. 3 RCHA by a score of 6 to 4. We were fairly confident that we were going to win this one going into the third period, as we were leading by two goals. However, I can't help but feel that an incident that took place in the last minute of the second period had something to do with the team's spirit. It could be said that we finally can overcome this team, and our next meeting should be a good one. In any event watch DRO's for game times and try to come and see them.

The second game, and our last with the Voodoos, was the winner. I must say that the Officers and Cadets of our unit, who although haven't done much in the way of winning, are certainly the most sportsman-like team we have had the pleasure of playing this year. All games were played with a minimum of penalties, and on only one occasion was there any rough-housing.

Well, that is all for this time, my next column will probably be the playoffs.

MINOR HOCKEY

By BILL WHITEHEAD

Despite windy weather and driving snow last Saturday, two Atom games were played. The "Bulldogs" edged "Sabres" 2 to 1 in a hard fought game. "Bulldogs" 2 goals came off the stick of Shields with great help from Carr-Hilton and Porter. "Sabres" marksman was Anderson, with Ed Snow and Brian Kollins outstanding players.

"Rockets" shut out "Ramblers" 4 to 0 on a hat trick by Craig Robillard and a single by Jack McCartney. "Ramblers" missed their regular goalie and although out scored were not outplayed. Star earners, Campagne, Gerbac and Fiander.

"Mustangs" and "Shamrocks" played their game Sunday, witnessed by a capacity crowd of proud parents. It was a very exciting game and could have gone either way but

a last minute goal by Steven Smith who also picked up three more gave the "Mustangs" the win 5 to 4. Robbie Maranchuck potted the "Mustangs" other goal, with little Bobby Gingras and Allan McCaffrey playing fine hockey. "Shamrocks" goals came off the stick of Laurie Shaw, a hat trick and Phillip White a single. David Shaw and Gordon Ross deserve a Star for a Great Effort.

Pee Wee action saw the "Starfighters" take one from "Raiders" 4 to 1 on a hat trick by Donald Smith and a single by Bill Capling. Mark Poire along with Daryle Rose earn a Star. "Raiders" started slow and came on strong but could not add to their single by Moore. Rickey Marnchuck's play was outstanding for "Raiders", along with Robert Motherwell's.

"Voodoo's", John Coleridge came through with his second goal of the game and it was enough to edge the "Sharks" 2 to 1. This game was well played by both teams and could easily have gone either way. "Voodoo's" Star earners were Brian Theede, Keith Deschenes and Dennis Reimer. Sharks picked up a goal by Lindsay and great performances by Ken Cooper and Jim Alexander.

The Sunday afternoon crowd at the rink witnessed a fine game between "Combines" and "Jets". A breakaway goal by Billy Keech gave "Jets" the win 1 to 0. John Batchelor made two key saves on the Combines Tim Whitehead and along with Paul Cridland deserves the Stars. The "Combines" defence was a big factor in the tight game. Sallows and Nicholson play was outstanding with Bryce Florence outstanding in goal.

RCAF CHAMPIONSHIPS

The annual RCAF Championship Bonspiel will be held at our Club during the week of 8 Mar. If you want to see some excellent curling I strongly recommend that you come to the curling club and watch the zone winners do battle.

There are five zones located in Canada and each zone will have two representatives at the Spiel. The eleventh team will come from the Air Division. Zone 1 comprises British Columbia and Alberta. Zone 2 is Saskatchewan, Manitoba and north-west Ontario. Southern Ontario is in Zone 3 while Quebec and Ottawa are in Zone 4. Zone 5 includes the Maritime provinces.

Zone 2 in which our Club participates includes twelve stations, Dana — Rivers — Portage — Winnipeg — Gimli — Moose Jaw — Gypsumville — Yorkton — Neusejour — Sioux Lookout — Armstrong and Flin Flon. Neither Flin Flon or Armstrong sent representatives to the Zone play-downs which were held at Rivers this year.

The winner of our Club play-downs was the team skipped by Ron Merriam which went to Rivers and took the championship.

ZONE 2 WINNER — RON MERRIAM

Ron Merriam and his team of Archie Charles third, Ron Bobinski second and Bill Baxter lead proceeded to Rivers to participate in the Zone playdowns. After the smoke cleared it was Ron Merriam all the way.

The Zone playdowns is a modified double knockout bonspiel. This means that a team must have two losses before it is knocked out. Ron tells me that the ice conditions were ideal and the hospitality excellent.

Ron's first game was against W/C Trotter and his team from Gimli. The first five ends of the game were close as each team battled for that big end to take a commanding lead. As you might expect Ron got the jump in the sixth when he picked up 4. That was the end of the game for the Gimli lads as Ron kept the pressure on and Gimli conceded defeat after nine ends with the score 10-4.

The second game saw the strong Moose Jaw team come up against our boys. This was a close game for eight ends with Ron 2 up BUT it happened again — "Big End" Merriam counted 6 in the ninth and that made game over. Rivers

was the third team to go down to defeat at the hands of Ron and his team. The game was all tied up at the end of four and Ron blanked the fifth end in order to have last rock on the even end. At this time the score was 3-3. This paid off for Ron as he counted two in the sixth. The teams traded singles in the seventh and eighth and Ron stole three in the ninth to be five up coming home.

The final game was against Dana. This was a no contest for Ron as the opposition quit after six ends with the score 11-1. The box score is shown below.

	1	2	3	4	5	6
Winnipeg	1	1	0	3	2	4
Dana	0	0	1	0	0	0

Ron will now face much stiffer competition when he meets the Zone representatives in the RCAF Championships but I feel certain that Ron and his team will be in their and in my opinion should take the coveted trophy.

GOOD LUCK RON — WE ARE ALL BEHIND YOU.

REGULAR LEAGUE

The final round in the Regular League is well under way. This is the round which counts; it is the round the teams have been waiting for all season. The first three rounds were desired to give each team ample opportunity to display their potential. This round, the fourth round, is the round wherein all teams are in their proper grouping according to their ability. Group winners will be determined in this round and only the points obtained in this round will count. All previous points are to be used for the Grand Aggregate only.

Because this is the final round I am going to try and pick the top three teams in each group. I didn't have too bad an average on my selections at the beginning of the season and maybe I will be fortunate again.

In A Group I will have to go with Del Hanson, Ron Powell and either Tex Caithcart or Herb McDowell. I have to give the slight edge to Tex Caithcart because he has a master strategist skipping and if Jake can keep his game up he will have to be considered a strong contender.

In B Group it looks like Keating and Sather battling for top honours. The third team looks to be Brem Murray. This is a strong, underrated team. An excellent

RCAF ZONE 2 CHAMPIONS

Left to right: Ron Merriam Skip, Archie Charles third, Ron Bobinski second, and Bill Baxter lead.

game was witnessed between Sather and Keating last week. The score after eight ends was tied 4-4 with each team scoring singles on every end. Keating blanked the ninth in order to have last rock coming home. This paid off as Chuck drew to the button with his last rock to win the game.

In C Group Don McPherson should be up at the top with Latour and Bill Colston right behind. It is just possible that Jack Diepold could nose out Bill Colston. This should be an interesting group to watch.

Picking the top three teams in D Group is difficult but I will go with Morley McArter for the top position. There are four teams of relatively equal capability, and one of which could take second position. Kane, Passey, Taylor and Redford. I will go with Art Taylor and Killer Kane.

McKillop in E Group looks good to me. McLeod and Johnson should take the other two positions. In F Group I pick McCowan, Carr and Bourne in that order.

MIXED LEAGUE

The Mixed League commenced the third and final round last Sunday. I am rather sorry to see the final round start as I for one have had a very enjoyable time curling in the League this year; also, the final round means that curling will soon be over for another season.

All games in the A Group were close ones with Batchelor, Wright, Riseborough and Baxter coming out on top. I will try and pick the top three teams in each group as I have done with the Regular Lea-

gue. In this group I will go with Baxter, Batchelor and Sather.

In B Group Frank Hafner and Morley McArter had easy wins coming home 9-4 and 9-3 respectively. Gerry Gribling and Wally Kostiuik had tough games both winning by a single point. The top three are Kostiuik, McArter and Gribling.

There were only two games played in C Group which saw Bacon and Hicks win their games quite handily. It looks like Bacon, Hicks and Keating as the top teams.

There were three one sided games in D Group. Wilson won his 13-7 while McDowall and Lewis came through 11-3 and 10-6. Reg Garnett had a close one with Mike Zacharuk winning 10-8. In this group I select McDowall, Lewis and Zacharuk as the teams to beat.

In E Group Hambly (Mrs. that is), and Cheyne had easy wins. Ken Duncan had to make a double take-out to win his game and Cranston had a close one against Norm Rose — our young friend who now makes his home in Gimli. The top three will have to be Hird, Cranston and Tunstead.

TRI-SERVICE BONSPIEL

The annual Tri-Service Bonspiel will be held at Fort Osborne on the 4-5 Mar. Sixteen teams will compete for the coveted trophy. This is not an open bonspiel but each service selects the teams that will represent them. This year the Navy, Airforce, RCMP and DVA will each have three teams and the Army, which is the host service, will have four teams.

A BIRD'S EYE VIEW OF FLYING WING

The most noticeable event in Flying Wing this past week was the visit paid to us by the painters. At last report, they had not quite finished but one can already see a big difference.

Jim Ludlow was passing out cigars in the early part of last week, celebrating the arrival of a brand new baby boy.

I saw the premiere of "She Stoops To Conquer" last Thursday night: without trying to be a critic I would like to congratulate all those concerned, especially Dave Mills who did a wonderful job of directing. Jim Newcombe was the on-stage Flying Wing representative and we are all really proud of him; he came through with flying colors, showed no amateurish weaknesses and contributed a great deal in making the play very entertaining. Best of luck to the whole team in all their endeavors.

It is a confirmed rumor that Bill Tunstead will be leaving us for the DEW line in the near future.

Howie Schwindt was in the other day telling us all about the hardships he has to endure in London.

One last pitch for the Flying Wing party on Friday, remember the old cliché: "It will only be as good as you make it".

That's it for this week.

CLUB 61

Last Friday evening, Club 61 had their toboggan party which turned out a roaring success. It seemed that the hill was at its best and was kept occupied most of the evening. When everyone had the hill beat or was too tired to try again, a good spread of food was laid on. The evening was completed with lively and diversified entertainment and our thanks go out to Jim Lewis for making this available. Needless to say, everybody enjoyed themselves immensely despite the many complaints heard Saturday morning of varied stiffness. Another thanks to Mike Edson and Larry Bertrand who volunteered to drive the buses for us.

Our Valentine's Dance held Saturday 13th, brought out a large crowd who enjoyed the music provided by the Nomads.

Another weekend on its way and tomorrow night, Saturday the 20th brings out the Strangers for our Saturday night dance. Hope to see you all there.

"Under the Yum Yum Tree" starring Jack Lemmon is the film feature this Sunday, the 21st, to be shown at 1400 hrs.

Next week, Friday the 26th, Monte Carlo night is being held. Its an evening of enjoyment so make plans to come.

On Sunday Feb. 7th, a new group called the Mystics were auditioned and put out a very good show. Watch for them coming up the first weekend in March.

Don't forget to get your applications in for the Mixed Curling Bonspiel to be held on the 19th of March. Forms are available at the Club and were also sent out with Club calendars.

Due to the Club going self-supporting, Club 61 is asking each member to give this serious thought. It is emphasized once again that if the Club cannot receive the full support of the members, it is possible that the Club will be unable to continue its present program. Remember, the Club is available at all times for your use and it will be your support that will keep it that way.
