

History of The Poppy

On November the 11th, Canadians all across the country will stop and remember the men who were killed in wars. There will be parades to memorials in cities, towns and villages. Then everybody will stand in silence as they remember the more than 112,000 brave Canadians who were killed.

That is why November the 11th is called Remembrance Day.

On that day everybody wears a poppy, a reminder of the blood-red flower which grew in the fields where many of these men died. Much of the fighting was done in a place called Flanders. This was during the war of 1914-1918. Every spring, the soldiers fighting in the trenches noticed the red flowers blooming on the battlegrounds. And as more and more of their friends were killed, the soldiers noticed that the poppies bloomed over the graves.

When the war was over and when the soldiers came home, they still thought of all their friends who were buried in Flanders. Each time they thought of the graves, they thought of poppies which grew around the graves. Then the men who came back from the war decided that they would wear a poppy each year to show that they still remember their friends.

November the 11th was the day on which the fighting stopped in 1918. The men who had been in the war picked that day each year to wear a poppy. Other people who had not been in the war, but who loved the soldiers who had been killed, also wanted to show that they remembered the dead. So they also wore a poppy.

First Poppies

There were not enough real poppies to go around. Then some of the men who were wounded, and couldn't work at other jobs, began to make poppies out of cloth. That is why today everybody wears a poppy which is not a real flower but which reminds us of the flowers which grew over the graves of the men who died.

For many years after the first war, children stood with their parents on Remembrance Day. Everybody was silent, and everybody wore a poppy and they all thought hard about the men who were killed.

By the time many of the children grew up, there was another war. The boys who were now young men went to war. Many of them went to the same places as the men they used to remember. In the fighting in those places, a lot of the young men died.

When the second war was over, more people than ever wanted to wear a poppy: now there were more dead soldiers than ever to remember. There were also sailors and airmen. All of these people went to war to protect Canada. They went to war to protect the people who were in Canada then, and also the people who would be born in the future — people like yourselves. They died so that you could enjoy all the good things in your life. They died so that your home would be safe, so that you would be given a chance of going to school and going to the church of your choice. They also died so that you could make friends with whomever you please.

So perhaps you didn't know those men who died in war. But they knew you. They wanted you to live in peace.

Therefore, on Remembrance Day, when everybody wears a poppy and stands in silence it is like 'thank you' to those who died for us.

Flower of Remembrance

Why was the poppy - the flower of the forgetfulness - chosen as the symbol of remembrance for Canada's war dead?

The poppy, an international symbol for those who died in war, also had international origins.

A writer first made the connection between the poppy and battlefield deaths during the Napoleonic wars of the early 19th century, remarking that fields that were barren before battle exploded with the blood-red flowers after the fighting ended.

Prior to the First World War few poppies grew in Flanders. During the tremendous bombardments of that war the chalk soils became rich in lime from rubble, allowing 'popaver rhoeas' to thrive. When the war ended the lime was quickly absorbed, and the poppy began to disappear again.

Lt.-Col. John McCrae, the Canadian doctor who wrote the poem IN FLANDER FIELDS, made the same connection 100 years later, and the scarlet poppy quickly became the symbol for soldiers who died in battle.

Three years later an American, Moina Michael, was working in a New York City YMCA canteen when she started wearing a poppy in memory of the millions who died on the battlefield. During a 1920 visit to the United States a French woman, Madame Guerin, learned of the custom. On her return to France she decided to use handmade poppies to raise money for destitute children in war-torn areas of the country. In November 1921, the first poppies were distributed in Canada.

However, thanks to the millions of Canadians who wear flowers each November, the little red plant has never died. And neither have Canadians' memories for 114,000 of their countrymen who died in battle.

SCAN CORNER Salary

According to an old saying, "money makes the world go round". Salary must be an important consideration to every serviceman planning a move into the outside world. While we know exactly what our earnings are now, some find it hard to project their worth into the civilian market.

Employers decide upon the salary range for a particular job, based upon the employment and the responsibilities built into the position. You can be placed within a salary range. This means presenting your qualifications and experience in such a way that acceptance is at the upper salary limit. This is your aim.

Remember, however, you are an unknown quantity to the employer. The fact one is willing to prove his

worth could be more positive in the long run. Entry is the key and the possibility of a regular salary review is an important consideration.

Experience has shown that a lateral shift into civilian life from the military is a rare accomplishment and a serviceman earning \$24,000 now should think of \$22,000 as an entry salary. When too much emphasis is placed upon unrealistic starting salaries there is a danger that one is simply cutt off from the employment market. Make allowance for the chance to prove how good you are.

Entry is even more important if it provides opportunities to show your worth. Don't price yourself out of the job market.

Training System Commendation

Pte J. H. Carriere, student at the Canadian Forces School of Meteorology, being awarded a Commander Training System Commendation by the Base Commander, Colonel McGowan.

Pte Carriere received the Commendation for his assistance to two young civilians seriously injured in a motorcycle accident in Nova Scotia.

CFB Winnipeg Sets New United Way Record

As of October 18, Base personnel have contributed nearly \$74,000 — 12% over the 1983 all time high of \$66,500. This achievement has startled the City of Winnipeg United Way organization in a most pleasant way and a hearty "CONGRATULATIONS" is passed to members of the Base from Mr. Dale Stewart, Government Division Chairman. With just one week left in the Campaign the contribution total of \$74,000 is broken down as follows:

BASE	\$41,132
AIRCUM	\$21,516
2 PPCLI	\$10,905

Well done CFB Winnipeg! There is no way we can help more Winnipeg people in need than through the United Way.

In Flanders Field

In Flanders fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

We are the Dead, Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie
In Flanders fields.

Take up our quarrel with the foe:
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep, tho poppies grow
In Flanders fields.

**Royal Winnipeg
 Rifles Receive
 New C.O.**

WINNIPEG — The Royal Winnipeg Rifles, a Canadian Forces Militia unit based at Winnipeg's Minto Armoury, received a new Commanding Officer this Saturday, October 20.

He is Lieutenant-Colonel Burton Frank Waters, 45, a market development officer for the Manitoba Department of Agriculture in civilian life.

Colonel Waters takes over command of The Royal Winnipeg Rifles from Lieutenant-Colonel John Patrick McManus, 43, who moved to south Bend, Indiana earlier this year where he works as a management consultant.

Colonel Waters' military career began with the Royal Canadian Air Force in 1956. In 1960 he transferred to The Royal Winnipeg rifles as a Second Lieutenant and, after a period of absence, was promoted to Captain in March of 1972 and to Major in April of 1978, becoming Deputy Commanding Officer under Colonel McManus.

Colonel Waters was appointed acting Commanding Officer last May. Colonel McManus joined the Princess Patricia's Canadian Light Infantry in 1960 and in subsequent years served with his unit in Germany and Cyprus. In 1970 he was posted to the Combat Arms School as an instructor and in his last year there as a Standards Specialist. In 1972 Colonel McManus was posted as Base Defence Force Officer in Halifax and two years later he served with the International Truth Control and Supervisory Commission in Vietnam. He transferred to the Militia in 1980, joining The Royal Winnipeg Rifles as a Special Projects Officer and being promoted to Major in February of 1981.

Colonel McManus assumed command of the rifles in May of this year. Saturday's Change of Command Parade at Minto Armoury will be attended by Brigadier-General R. S. Malone, the Honorary Colonel of The Royal Winnipeg Rifles, and by Colonel (Senator) Gildas Molgat of Winnipeg, who is the unit's Honorary Lieutenant-Colonel.

The Change of Command Parade starts at the Armoury at 2 p.m.

L/COL P. McManus out going C.O. running off parade square in rifleman fashion to end ceremony.

51st Bannatyne Cub News

The season for Cubs is off and running with great momentum. This year twenty-six boys have been registered with the 51st Bannatyne Cub Pack which meets at CFB Winnipeg (N). This is the largest Cub Pack in the Bannatyne District, a fact that is indicative of the interest shown toward Cubbing at CFB Winnipeg.

The Pack's season has already been a busy one with a District sleep-over at the Silver Heights United Church on 29 September and a very successful bottle drive on 14 October. These combined with regular Tuesday night meetings have kept the boys very much involved in Cubs. It has also kept the four leaders hoping to make plans for activities that will maintain the boy's interest.

Cub's are boys 8 to 11 years of age. They are active and highly spirited creatures that enjoy having fun, building things and exploring new avenues of learning. They always like to make noise which makes the leaders voice often seem like a cry in the wilderness. But even leaders enjoy watching Cubs having a good time in spite of the noise. Cubs are taught to do their best and to help others whenever they can. They go camping, join in activities with other Cub Packs, go on hikes and visit interesting places about Winnipeg. Most of all Cubs have fun.

Unfortunately the 51st Bannatyne Pack is full and we have had to turn some boys away. We do not like having to do this because we believe all boys should have an opportunity to be a Cub. But our facilities cannot accommodate more boys at this time. There is however, a Pack close at hand which meets every Wednesday evening from 1830 to 2000 hrs in the Silver Heights United Church. If there is a potential Cub in your home you will find he is more than welcome to join this other pack.

pense (e.g. the amount paid above and beyond the bond nominal value) as an income tax deduction.

- b. the payroll deduction plan is a painless and convenient forced saving plan to put money aside for either a planned expense (e.g. Christmas shopping) or an emergency.
- c. they are the safest Canadian investment as they are backed by the entire resources of Canada.
- d. they are a very liquid investment in that they can be cashed at any time.
- e. they are the only fixed term investment with the possibility of the interest rate increasing throughout the term.

CSBs are now on sale through the payroll deduction plan to regular force military personnel, class "C" reserves and DND civilian employees. Cash sale WILL NOT be available through your section/unit canvasser.

HI!

We have lost quite a few of our people because of postings or other reasons. However, I do know that quite a few new ones are coming in. To you, the new comers, welcome, and we want you to know that we are pleased to see you and have you aboard. I am sure that we will get along, and be happy together.

Please introduce yourself when I meet you, and we will take it from there. Remember that if you were involved in any way in the Church activities before, we need your help. If you were not involved, maybe we could start something together in Winnipeg.
