Due to unforeseen circumstances, and rather than dispensing with the December edition altogether, the

Eager Beaver is very late in going to press.

I was quite ill for some time and - many sections

that regularly submit articles each month did not

do so for various reasons - thus, we are not only

very late, but smaller than usual.

But at least, we are out. Please forgive us this

time. We hope this will not happen again and we

shall try to do better than this in the months to

follow.

May 1955 be good to you all - and may God bless you.

EDITOR

PADRE'S PEARLS - Rev. BJ Davis
Chaplain

Thou visitest the earth, and
blessest it; Thou makest it
very plenteous. Psalm 65 verse
9.

By an accident of calendar-
making, the festival of our
Lord's Circumcision falls on
the first day of our conven-
tional year. We may derive
some meaning from the accident.
As this act in His life marks
His formal dedication to God,
let us use this occasion to
re-dedicate ourselves to Him.
Surely God has "visited the
earth"; surely we must be
aware of blessings which we
have received from Him this
past year.

And surely He will do likewise
for us in the year now arrived.
Here are 365 days stretching
out before us. He would have
us be loyal to Him every one
of those days; His grace will
be available for this purpose.
But every day the choice is
squarely up to us, as indivi-
duals, to make it a day of
faithfulness to the way of
Christ, or a day of indiffer-
ence and disloyalty. When we
shall have come to their end,
will He be able to "crown the
year" for us, or will he be
grieved because we have not

followed Him as Sovereign?
That depends on us as indivi-
duals. May God crown your
year with goodness in His
service.

PERSONALITY PARADE Seven

LAC L.E. Robinson

LAC Louis Edwin Robinson was
born in Windsor, NS in 1934.
He received his education in
Windsor and Truro, NS.

His main hobby is music, which he started to study at an early age. When he was thirteen, he was asked to sing in the senior choir of Trinity United Church in Windsor and it was there that he learned what the true sense of the word 'music' meant. He sang in different musical festivals and after winning top honors he was asked to sing with the Avon Glee Club. (A small group of operatic minded people). During this time he studied theory of music. While with the Avon Glee Club he sang in six of Gilbert and Sullivan's operettas and in an opera called "Martha". He joined the RCAF on March 26th, 1953. He sang in the United Church at St. Johns, Quebec, and then in the United Church at Clinton; also in the United Church in London. When he was posted to Senneterre, Quebec, he formed a church choir there, and now, at Beavertown, he has undertaken the formation of our Protestant Church choir.

SYMPATHY

The station extends sincere sympathy to Mrs. I. Duncan on the death of her mother, Mrs. Agnes Steele, in Winnipeg on December 11th.

Sympathy is extended to Mrs. G. Gamache who lost her father, Mr. Hillary Young, on Dec. 12th.

* * * * *

WOMENS' AUXILIARY NEWS

During December, the WA held one meeting only, at which the Bazaar committee, Mrs. Wallis, Mrs. Duncalfe, Mrs. Andrews and Mrs. Taylor, were given a surprise party - a "thank you" for the excellent and hard work they did in organizing the bazaar. Naturally, many thanks go also to those who contributed to the bazaar - without their splendid response and co-operation, there would not have been a bazaar at all.

The Editor and staff of the Eager Beaver would like to express their thanks to the WA for the extra money they voted for the coloring contest - thus enabling the smaller children on the station to enter the contests.

SPECIAL - submitted by Mrs. Ida Duncan.

Lewis Perinbam, native Malayan, who has been in Canada a year as secretary of World University Service, was saying the

other day that world conferences of students were good because students not only encountered each other but also ideas. To point this up he told this story: "At one conference students wrote essays on the elephant. The French student on the love life of the elephant; the Indian on the elephant as a victim of British imperialism; the Russian on the place of the elephant in class warfare; The American on bigger and better elephants; the Canadian on the elephant; is it a federal or provincial responsibility?"

ACCOUNTS HI-LITES - by Cpl
JD MacDonald

This being December, our thoughts naturally turn to the New Year, of which we are practically on the threshold. Many good resolves will be made, only to be broken early in January. However, human nature being what it is, that is to be expected. The following little poem, author unknown, seems to me to be very inspirational when it seems that nothing means very much. We shall call it:

"Work Loyally"

Just where you stand in the
conflict

There is your place
Just when you think you are
useless

Hide not your face
God placed you there for a
purpose

Whatever it may be
THINK! He has chosen it for
you.

Work Loyally.

On Dec. 22nd, music seemed to be emanating from the usually staid SAO's office. Proved to be F/L Quinton singing, "I'll be home for Christmas" as he prepared to "hand over" to F/L Bradshaw, who has returned to Beavercreek for the present, at least. In case anyone is interested in producing plays, he says he has a very good cast. (Maybe he'll forget that pun before R211 time!)

Several new TV sets are appearing on the station now. F/L Bradshaw and Cpl Thomas are among the proud owners of sets, so, as usual, the Accounts Section is not left out.

Sgt Oley Hansen, LAC Charley Chalifoux, Cpl Tommy Thomas and LAW Shirley MacDonald (the tiny typist) are on Christmas leave.

Cpl Duncan MacDonald and LAC Effervescent Al Muise will be taking New Years leave.

as always, we, the Accounts, shall continue to do our utmost to be of service to Officers and Airmen alike, to the best of our ability. We bring your attention to an old proverb which says: "A good archer is not known by his arrows but by his aim."

Happy New Year

SPORTS COLUMN - by LAC J

Cathcart

Hi there -

Since we last spoke to you, the station hockey team has gone into the hockey league. This league consists of four teams; two from MAC, one from 101 Com Flt and one from Beaverbank.

On the 9th of December, the station team had their first taste of hockey for this year when they faced the team from 101 Com Flt in an exhibition game played at the Shirley

Street arena in Halifax. It was good to see the boys from Beaverbank step out onto the ice in their scarlet uniforms. The three stars of that game were coach "Jobbie" McDonald, Cpl Nick Melnechuk and Roger Bayne, who is a newcomer to our station. The Beaverbank team won the game by a score of 6-5. The team was cheered to victory by many supporters from the station.

On Monday the 16th, RCAF Beaverbank played their first league game against the Rovers of MAC. Although we lost the game, it was an exciting one to watch. Sgt. Lavigne was the net protector for the Beaverbank team.

On Monday the 20th, another exciting game was played between our team and the second team from MAC. From the moment the whistle blew for the face-off in the first period, the Beaverbank squad were away with a bang! Before one minute was up, Mel Baker went along to get the first goal, to start them away with a lead of 1-0. From then on, it was goal for goal on both sides. Cpl Nick Melnechuk picked up four points when he got 2 goals and 2 assists. Mel Baker also got 2 points by getting two goals for our team.

Roger Bayne got 2 points by picking up 1 goal and 1 assist. With 10 seconds to go in the last period and the score 5-4 for Beaverbank, the MAC team put on a drive and got a goal, to tie the score 5-5. Sgt Claude Lavigne did a great job of tending the nets. It is hoped that many more fans will come out and cheer their team to victory, at future games.

A Christmas Tree party was held on Wednesday the 22nd in the ME Section - in fact, two parties were held. The party for the children of civilian personnel got underway at 1.30 pm with the Commanding Officer, W/C Babineau giving a short address to the parents and children. He said he was happy to see such a good turnout at the party and wished everyone there a very Merry Christmas and a Happy New Year. The MC, F/O Quarnstrom had everything well organized. As the children came in, they were given ice-cream cones; Movies were shown and then candy, cookies and pop was distributed. The big moment came when jolly old St. Nick arrived - by fire truck! As he came in, mouths opened and little eyes nearly popped out as they beheld him. Santa presented gifts to all

the children and there was much excitement as the gifts were opened.

At 5.45 pm of the same day a party was held for the children of Air Force personnel on the station. Mrs. Babineau gave the opening address for W/C Babineau who was unable to attend. She apologized for the C.O's absence and wished all the parents and children a Merry Christmas and lots of luck in the New Year. Movies were shown and the children were given ice cream, candy, cookies and pop. Santa kept everyone posted on his whereabouts all through the show by sending telegrams. Finally he arrived and what a reception he received. It really did one's heart good to see so many little faces light up all at the same time. Santa gave each child a lovely gift. Now I'll tell you a secret boys and girls - Our station at Beavercreek was the only place that Santa came to twice in one day - doesn't that just prove that Santa loves you all very much?

We would like to thank all the personnel who gave so freely of their time and energy to make the Children's Christmas Party the success it was.

THOUGHTS FOR YOUR SCRAP-BOOK

Nothing is easier than fault-finding; no talent, no self-denial, no brains, no character are required to set up in the grumbling business (Robert West).

Abraham Lincoln was as just and generous to the rich and well-born as to the poor and humble - a thing rare among politicians. (John Hay)

The stomach is a slave that must accept everything that is given to it, but which avenges wrong as slyly as does the slave. (Emile Souvestre)

Books are the ever-burning lamps of accumulated wisdom. (G.W.Curtis)

C.E. CHIPS - by Mrs. E. Pierre

Another month has gone by, and winter is truly upon us. We have seen the odd snowflake being scurried away by the wind on these blustery old hills. It is the season when all the animals of the forest go into hibernation and the outside world slows its pace.

All CE Chippers are industriously working to keep the

ball rolling.

Vic Benedict was on the sick list again for a few days but is up on his feet again - it is hard to keep a good man down!

Others in our section have been catching up on their annual leave.

The Christmas season is rolling around once again. Oh dear! The pocket book takes another beating.

We are looking forward to our section party. News of it, and other miscellaneous items will be given in the January Eager Beaver.

THANKS

We wish to express our sincere thanks and appreciation for the wonderful farewell party given for us. We have enjoyed our stay at RCAF Beaver Bank and hope, in the not-too-distant-future, to again meet all the friends we made here.

Nick & Thelma Melnechuk.

.....

On Wednesday, December 22 we

held our annual Christmas Party for the children of both our Service members and our civilian personnel. The party turned out to be a great success due mainly to the organization of F/O H. Little and all those people who gave their time and services to make this a grand party for all our children. The airmen and airwomen of the station did a wonderful job of decorating the tree and serving our little guests. We understand that one of our airmen is still winded from running up to the MC with messages just received from Santa Claus. Once again, many thanks to all you people who worked so hard for the party.

J.A. Quarnstrom.

The sincere thanks of the entire station go to Flying Officers Wheatley and Roche for their splendid efforts to provide us with a skating rink. They have devoted their time off, their weekends and their leave to this task. Thank you both.

INNER SANCTUM SECRETS - by
AWL Berndt.

We FCO's wish to take this opportunity of wishing you all a Happy New Year.

The Operations Party was quite a success (if you remember!) thanks to the creative work of F/O Maxwell and F/O Robinson. An enjoyable time was had by all.

We are happy to have LAW Anderson with us again, and wish her brother, CPL Anderson, a speedy recovery. The same wish goes to LAC Stewart and LAC Hole.

Welcome back Sgt Mosher - are you here to stay?

Glad to hear that you have all your Christmas parcels mailed, Cpl Chorzempa. Still hoping for that Jerico posting?

What's the attraction in Moncton, Roma? Hope you have an enjoyable leave.

Who is the Sgt who would like to spend her leave out West?

We are sorry to have lost LAC Gilles and LAW McGaugh, but wish them every success on civvie street. And happy travels.

Here's luck to all those who wrote their Trade Board examinations in December. We are all anxiously awaiting the results - and parties!

Christmas has once again rolled around to RCAF Beavercreek. Is it true that the order for mistletoe is much larger this year? Must be all these budding romances! Good luck boys and girls and a Merry Christmas to all. BEEP BEEP ZOOM.

We were sorry to hear that shopping was so late for some of our tower personnel--who didn't know where toyland was located. Chins up kiddies - Santa will be visiting you after all.

We FCO's (female) would like to thank F/O Burrill for solving our Christmas shopping problems - is that a genuine briar?

BOOKE NOOKE - by LAC J. Cathcart.

The station library is now officially open for all those who are interested.

New books have come in and we also have books like "The Cruel Sea", "The Robe", "The Silver Chalice" and many others that were motion picture successes.

Donations of pocket books or any other reading material would be much appreciated by the Librarian. Don't throw your old books away - give them to your Library - please.

Here is a brief outline on a book called "The Man Who Never Was" by Ewen Montagu.... In a graveyard in the Spanish town of Huelva, there lies a British subject. As he died alone in the foggy damp of England in the late Autumn of 1942, he little thought that he would lie forever under the sunny skies of Spain after a funeral with full military honors; nor that he would, after death, render a service to the Allies that saved many hundreds of British and American lives. In life he had done little for his country; but in death he did more than most could achieve by a life time of service. It tells of

operation mincemeat, a brilliant coup by the British Intelligence which completely deceived the German High Command and ensured the success of Allied landings in Sicily. Hitler himself was led to give a faulty appreciation of the military situation; Rommel was sent off in the wrong direction and tens of thousands of Allied lives were saved."

Library Hours are as follows:

Mon: to Fri: 3 - 5 pm

Thursday 6.30 - 8.30 pm

OFF THE BASE

On December 1 and 2, W/C Babineau, accompanied by F/L Wallis, Sgt Mosher and Sgt MacDonald, went to St. Margarets on TD.

W/C Babineau attended the C.O's Conference held in Montreal from December 5 - 12.

* * * * *

SPECIAL

On December 13th, Rev Bonham of Command came to our station to give a special show for the school children and the station personnel. In the morning the children saw a movie called "Holy Night" depicting the birth of the Holy Infant. Personnel at

the Tower saw the same movie in the afternoon, and in the evening, parents were invited to attend. At the evening show, a second film entitled "From Rust to Destiny" was included. This was a fascinating film and the few people who did attend this performance agreed that both pictures were wonderful.

Many thanks go to Rev. Bonham for his kindness in coming here to give us such delightful movies. Will you come out again soon, please?

ORDERLY ROOM REPORT - by LAC
Gulbranson.

The Orderly Room Staff would like to wish all personnel at RCAF Station Beavertank, a Merry Christmas and a very prosperous New Year.

We have had a few flashes from our lost friend and I mean, 'lost' - The Moisie Kid, LAC Craig. He has a few sad words for the rest of the personnel here who are wishing for a posting to what they might call a better place - "Boys, there are a lot better places, and a lot worse places than Beavertank - just be content with what you have."

F/O Little has returned from a few weeks leave which he enjoyed very much. He is now getting ready for some New Year's leave.

LAC Lyons has finally discovered an easy way of making a few extra dollars! (Besides his TD for Christmas shopping) He has been busy as a beaver, cutting Christmas trees, and letting his poor son peddle them from door to door in the PMQ area!!

LAW Byrne has been released from Stadacona Naval Hospital and is back complaining about the weather as usual - also waiting for her release.

We have added a new clerk-steno to our Orderly Room staff - Miss Jean Graves, who is working just as hard as the rest of the staff. Hope you enjoy being with us Miss Graves.

Sgt. Findlay is busy planning this year's hunting season!

A LAUGH OR TWO

"Are you homesick?" her Aunt asked a small girl, away for the first time overnight. "No" the child sobbed. "I'm here sick."

Jim Crowder, midwestern book magnate, finally got a seat in a railroad diner one day during the war. "Do you like split-pea soup?" asked the waiter. "No" said Jim. "Chicken croquette?" "No." "Prune Pie?" "No." The waiter took the napkin off the table. "Good-day" he said. "You is had your lunch."

With her hand on the light

switch, the woman paused in her interminable chatter to inquire: "Is everything shut up for the night, dear?" Out of the darkness came her husband's patient reply: "Everything else, dear."

A contestant on the Give and Take program, asked to name three ways of saying goodbye, replied "Adieu, Adios and Arsenic."

FOR THE CHILDREN

The adventures of Sammy Snail
by DFB

Chapter VIII

To his surprise, Sammy found
that he had not far to go to
his home. He was very glad
and crawled along just as
fast as he could go, which
wasn't really very fast.
Although he had had some won-
derful adventures, he had
missed his Mummy and Daddy.
In an hour or so he was in
his own garden and there, just
ahead, was his home.
He hurried up to the door,
rushed in and shouted, "Hullo
Mummy. Hullo Daddy. I'm home,
I'm home."

Mr. and Mrs. Snail were over-
joyed to see their son home
again and they chatted far in-
to the night, Sammy naturally,
doing most of the talking.
"Yes Daddy" Sammy concluded,
"it really is a big, exciting

world, containing lots of
wonderful adventures - and I
made some very good friends.
But, I am happy to be home
again. You know, that old
saying is very true - 'there's
no place like home! - and
there isn't."

The End.

STATION FIRSTS

LAW Joyce Pierce and LAC Murray Shields were the first young couple to be married in our station chapel. The Marriage, performed by our station Padre, Rev. Davies, took place at 7 pm on December 29th. A small reception was held afterwards in the Air-mens' Mess. May you have lots of happiness in the many married years ahead of you both.

The first TV set to appear on the station is sitting in the living room of PMQ 41 - F/O and Mrs Little are the proud owners.

HOUSEHOLD HINTS

If you sew a button on the corner of a dishcloth, you will find it very helpful in scraping off hard-to-remove food from plates and pans.

If you use frozen shrimp, remember that the flavor is best if thawed in the refrigerator instead of at room temperature.

Add a lump of orris root to the boiler on laundry day and see what a delicate fragrance it gives the clothes.

A flashlight, switched on, makes a good darning egg. It shines through the work, illuminates the stitches and lessens eyestrain.

SAFETY COUNCIL INFO - F/O J. Quarnstrom.

The school boy "Safety Patrol" went into effect on Monday, December 6. The boys are all volunteers from the Boy Scout Troop. The Nova Scotia Dept. of Highways has registered the names of all the boys on the patrol and have stated that they will supply us with white patrol belts as soon as they are available. Motorists are asked to be on the lookout for school children and to stop at crossing points that are patrolled by the School Boy Patrol.

Operation Green Light and the ME Section Safety Record Board have been submitted to Command for approval and we hope to be able to start this work in the near future.

At their last meeting, the Safety Council discussed new safety measures for the station. The following points are listed with the hope that all persons on the station will make a real effort to

help keep our station accident free.

1. Parents to caution their children to walk on the edge of the road and to refrain from riding bikes and wagons, etc., in the centre of the road.
2. Parents to keep their younger children in the PMQ area and not have them running loose around the administration building, the ME and CE sections.
3. All station personnel again asked to adhere strictly to station speed limits.

During the Festive season, the Unit Safety Officer would like to ask all personnel at this unit to remember "If you drink, don't drive." Lets look forward to a Safe and Happy New Year.

* * * * *

VISITORS

Mrs W.D. Dauphnee, mother of Mr. John Publicover, is visiting her son and family this month.

Sgt. Mosher had his mother visiting him over the festive season.
