

Welcome to CFS Alsask. We hope you will enjoy your tour here.

Our local paper, The Tumbleweed, is not published during July and August. So, to try to answer some of your questions and give you some practical information about our community, we have put together this booklet. If you have a question or problem we have not addressed, call your Community Council representative, listed below, or your sponsor.

MISCELLANEOUS

Garbage pick up is on Tuesdays and Fridays at 8:00 a.m.

All pets on Station must be registered and show proof of vaccination.
Call the Pet Control Officer, Wayne Hornsby, at 2388.

The fire alarm boxes on Station are unserviceable. Call the numbers
listed in Station directory and on the front of this booklet.

The water treatment plant has a limited capacity which, during the
summer months, is highly taxed because of the demand for watering lawns and
flower beds. A water restriction must be enforced to maintain the water
pressure and fire protection level.

The following restrictions will be in effect starting 01 May on PMQ
lawns and flower beds:

- odd numbered MQ's / trailer pads on odd numbered days;
 - even numbered MQ's / trailer pads on even numbered days;
 - hours of watering from 5:00 to 10:00 p.m. on days mentioned.
- Your co-operation is a must for our fire protection level.
